

High Definition Vehicle Insurance

Drive safe. Earn money.

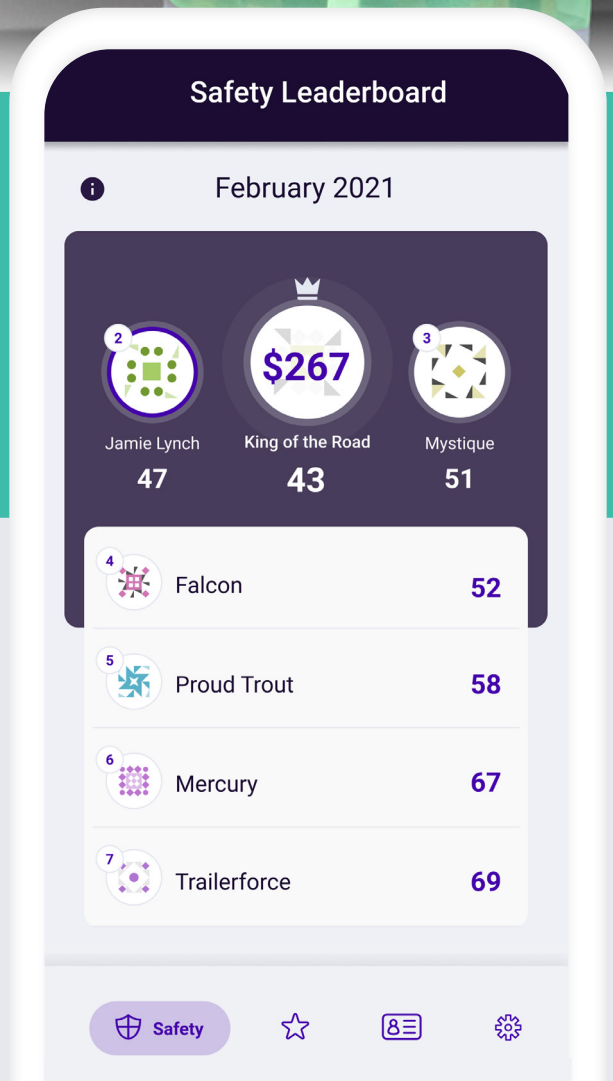

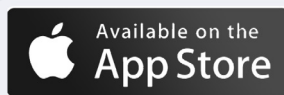

HDVI is partnering with your fleet to bring you driver rewards.
The safer you drive, the more money you can earn.

To participate, start by downloading the HDVI Driver+ app to your phone.

The leaderboard shows how you rank against other drivers in safe behaviors, and how much you are earning.

Simply open your phone's camera and scan the QR code to find the app in the App Store.

Contact your fleet manager to learn more.
